[F.C.I. LORETHO]

Dear, Clerk of the Court.

I'm writing in request for legal assistance pertaining to the new (2) two point reduction in sentencing pertaining to the Guideline / Crack Sentences, which apply to me. The last attorney that worked and was appointed to my case was Thomas Thornton^{Esq} (Federal Defender) who assisted me on the filing of my 2255 Motion. Arthur Cohen^{Esq} was my trial and sentencing attorney. I am in need of legal help, pertaining to the above matter and I am without funds to hire an attorney to represent me, therefore I pray that this Court, this Honorable appoint legal assistance, for the help and filing for the new Dec. 11, 2007 decision, pertaining to the (2) two point reduction - for Crack Sentences.

Thank you for your time
and help
